

Thomastown Meadows Primary School

Student Child Safety Code of Conduct

Grade 1/2

We follow our School Values and **rights and responsibilities** by being **Honest, Cooperative, Confident, Resilient and Respectful**.

At school everyone has the right to feel **safe**. This means that we are happy, comfortable and not in danger of being hurt by another person.

At our school we treat others with **respect**. This means we respect other people's cultures, abilities and bodies.

At our school everyone has the right to **tell an adult** when they are not feeling safe or respected.

At our school there are steps and people to help us, when we are not feeling safe.

We also know that our school is a **bully free zone**. **(We are friendly and treat everyone fairly)**

At our school all staff, volunteers and community members make sure that all students are safe and well.
