

Thomastown Meadows Primary School

Student Child Safety Code of Conduct

Grade 5/6

At school we have right to feel **safe**. This means that we are comfortable and not in danger of being hurt emotionally or physically by another person.

At our school we treat others with **respect**. This means we respect each other's cultures, thoughts and opinions, abilities and bodies.

At our school we have **policies, procedures** and **supports** in place to help us when we are not feeling safe.

Everyone at our school has the right to **speak up** when they are not feeling safe or feel they are not being **respected**.

We live by our School Values- **Honesty, Cooperation, Confidence, Resilience and Respect** and by our classroom **rights and responsibilities**.

Together we make our school a **bully free zone**.

Every single person in our school, even visitors, are committed to the **safety and wellbeing** of all students.
